HBR's 10 Must Reads paperback series is the definitive collection of books for new and experienced leaders alike. Leaders looking for the inspiration that big ideas provide, both to accelerate their own growth and that of their companies, should look no further. HBR's 10 Must Reads series focuses on the core topics that every ambitious manager needs to know: leadership, strategy, change, managing people, and managing yourself. Harvard Business Review has sorted through hundreds of articles and selected only the most essential reading on each topic. Each title includes timeless advice that will be relevant regardless of an ever-changing business environment.

Aceh has become best known in our times for its twin disasters—the worst earthquake and tsunami of modern times in December 2004, and a long-running separatist conflict that rent Indonesia for most of its independent history. Although this book emerged from the process of recovery from those traumas, it turns the spotlight on a more positive and neglected claim Aceh has on our attention, as the Southeast Asian maritime state that most successfully and creatively maintained its independent place in the world until 1874. Like Burma, Siam and Vietnam, all better protected by geography, Aceh has its own story to tell of a unique culture struggling for survival through the European colonial era.

The topic of Islamization of contemporary knowledge and education of the Muslims was debated at the First World Conference on Muslim Education in Mecca in 1977, but no serious attempt has been made to trace the history of the ideas and to study and evaluate some these matters in practice.

Drawing on ten years of experience working with more than 10,000 executives from companies around the globe, Nick Craig takes you on a revelatory journey to understand your purpose, find clarity and focus, and lead with inspiration. When uncovered, purpose becomes our most fundamental guiding principle. Explaining where true purpose lies and demystifying where it doesn't, Craig offers the methods through which anyone can find their purpose. He identifies three pathways that will assess where you are with your purpose and where you should be going. Illustrated by case studies of leaders from all walks of life and industries, Craig shares their unique stories to show how top leaders are energized by their purpose, finding in it the confidence they need to properly evaluate high-stakes decisions and take the optimal action. The best leaders access their purpose especially when facing the unknown, drawing on the source of it to energize themselves. Purpose also redefines their relationships to stress, allowing them to thrive where others just survived, and to postpone momentary, fleeting rewards in favor of leaving a sustained, meaningful impact. Accessible, methodical, and eminently practical, Leading from Purpose offers the comprehensive toolbox with which everyone--whether a c-suite executive of behind-the-scenes office worker--can live out their purpose and achieve success on their own terms. If you find yourself in an organization that is struggling to live its purpose, Craig's insights on how to bring your purpose and the organization's purpose into the same room at the same time is game-changing and will redefine your life and career.

Turn any presentation into a landmark occasion “I love this book. I’ve followed Humes's lessons for years, and he combines them all into one compact, hard-hitting resource. Get this book on your desk now.”—Chris Matthews, Hardball Ever wish you could captivate your boardroom with the opening line of your presentation, like Winston Churchill in his most memorable speeches? Or want to command attention by looming larger than life before your audience, much like Abraham Lincoln when, standing erect and wearing a top hat, he towered over seven feet? Now, you can master presentation skills, wow your audience, and shoot up the corporate ladder by unlocking the secrets of history’s greatest speakers. Author, historian, and world-renowned speaker James C. Humes—who wrote speeches for five American presidents—shows you how great leaders through the ages used simple yet incredibly effective tricks to speak, persuade, and win throngs of fans and followers. Inside, you'll discover how Napoleon Bonaparte mastered the use of the pregnant pause to grab attention, how Lady Margaret Thatcher punctuated her most serious speeches with the use of subtle props, how Ronald Reagan could win even the most hostile crowd with carefully timed wit, and much, much more. Whether you're addressing a small nation or a large staff meeting, you'll want to master the tips and tricks in Speak Like Churchill, Stand Like Lincoln.
