All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

Set in the waning days of the British Empire in Burma (currently Myanmar), Burmese Days is a moving and insightful story of colonial life where socio-economic divisions are strictly upheld and corruption is rife within the local administration. An Indian, Dr. Veraswami has incurred the enmity of U Po Kya, the local magistrate, and only membership in the white-only Club will protect him. John Flory, a white timber-merchant, is positioned to help Veraswami, but finds his own life changing when he falls in love with the newly-arrived Elizabeth Lackersteen. The first of George Orwell's novels, Burmese Days is based on Orwell's observations and experiences as a policeman in Burma in the 1920s, and explores such themes as imperialism and racism. First published in 1934, Burmese Days received a mixed reaction from the press, simultaneously lauded and criticized for its unflinching portrayal of colonial life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

This is the definitive guide to Animal Farm, concise, easy to understand, and guaranteed to add to your enjoyment of this classic story.

On 20th August 1940 Trotsky's life was brutally ended when a Stalinist agent brought an ice pick crashing down on his head. Among the works left unfinished was the second part of his biography of Stalin. Trotsky's Stalin is unique in Marxist literature in that it attempts to explain some of the most decisive events of the 20th century, not just in terms of epoch-making economic and social transformations, but in the individual psychology of one of the protagonists in a great historical drama. It is a fascinating study of the way in which the peculiar character of an individual, his personal traits and psychology, interacts with great events. How did it come about that Stalin, who began his political life as a revolutionary and a Bolshevik, ended as a tyrant and a monster? Was this something pre-ordained by genetic factors or childhood upbringing? Drawing on a mass of carefully assembled material from his personal archives and many other sources, Trotsky provides the answer to these questions. In the present edition we have brought together all the material that was available from the Trotsky archives in English and supplemented it with additional material translated from Russian. It is the most complete version of the book that has ever been published.

Stop What You're Doing and Write! Yes, You; Write! Most writing guides imply--or outright state--that there's a fixed, specific formula or list of rules you must follow to achieve writing and publishing success. And all of them are phonies. Well, not completely. There are real, applicable techniques and strategies in any writing reference to help you. But the idea that there's only one way of writing? Nuts! With unconventional approaches to the craft, fresh angles on novel writing and selling, a healthy dose of humor, and no promise of refunds, Writing Without Rules is for those writers who have tried and tried again--and are ready to success on their own terms. In these pages, accomplished author Jeff Somers will show you: • The key to a successful writing career is doing the actual writing, no matter the circumstances. • Fantastic ideas are available everywhere--you just need to know how to tap into sources through a variety of approaches. • Important craft aspects that you should focus on, such as characters and dialogue, while spending less time on others, like setting. • Effective ways to get published--whether it's traditional or self-publishing--and how to supplement your income. Whether you're a plotter, a pantser, or somewhere in-between, Writing Without Rules is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel, and building a career. As Somers will show you, it's less about being perfect in everything, and more about having the confidence to complete everything.

In the PENGUIN STUDY NOTES series and originally published as ORWELL'S ANIMAL FARM, a study guide to the novel, aimed at those preparing for the GCSE examination. It includes character studies, summaries of the plot with examinations of the background and major themes, as well as suggesting topics for discussion.
