movement. Together, these books show the richness of environmental thought, and point the way to a fairer, saner, greener world.

Frankenstein; or, The Modern Prometheus is a novel written by

the British author Mary Shelley.

The first edition was published anonymously in London in 1818, and Shelley's name appeared on the revised third edition, published in 1831. The title of the novel refers to the scientist, Victor Frankenstein, who learns how to
