The law of real property, or land law, is a core subject in the LLB programmes at universities in the Caribbean, as elsewhere. This book has been designed as a textbook for university students. It will also be useful for students at the professional law schools who are required to take courses in the law of landlord and tenant and for paralegals taking land law courses.

About the Series. The Commonwealth Caribbean Law Series is the only series of law books that covers the jurisdiction of the English speaking Caribbean nations. The titles in the series were first published in 1995 to acclaim from academics, practitioners and the judiciary in the region. Several editions followed, and they have now become essential reading for those learning and practising Caribbean law.
