Yet Eiger Dreams is more about people than about rock and ice--people with that odd, sometimes maniacal obsession with mountain summits that sets them apart from other men and women. Here we meet John Gill, climber not of great mountains but of house-sized boulders so hard to surmount that even demanding alpine climbs seem easy by comparison, and many more compelling and colorful characters.

Eiger Dreams: Ventures Among Men and... book by Jon Krakauer

Eiger Dreams is a collection of stories about mountaineering and mountaineering culture. This collection of a dozen or so chapters (I suspect all were magazine articles first) regales the reader with the danger of high-altitude climbing, the uniqueness of attitude among many of the climbers and a slice of the culture that surrounds the climbing world.
