stimulates student learning through movement and discussion, and it can also be used as a formative assessment. Students are presented with a controversial statement or are asked a question. In each of the four corners of the classroom, an opinion or response is posted. Students express their opinion or response by standing in front of one of four statements, and then talking to others about why they have chosen their corner.

Four Corners is an integrated four-
skills English course for adults and
young adults. Four Corners DVD,
Level 1 provides the program video
for in-class viewing. A video for each
unit provides further practice of the
unit ' s vocabulary, grammar, and
functional language in a real-world
context and serves as a model for
students to make their own videos.
