Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real story when you're pregnant? Your best friends of course - at least the ones who've been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Now, four-time delivery-room veteran Vicki Iovine helps you through the next nine months the way only a best friend can. Here is straight talk about those little things that are too embarrassing to ask about, practical tips and hilarious tales on anything pregnant. From learning that you're expecting ("Oh my God, how do I get out of this?") to the day your newborn arrives ("You mean I have to take it home with me?"), Iovine gives you the low-down on- What really happens to your body - from morning sickness and wind to eating everything in sight The many moods of pregnancy - or why you're so irritable/distracted/tired/lightheaded (well, more than you usually are) Staying Stylish - cautionary style tips from your best friend, who really would tell you if your perky new-mum haircut makes you look like a pinhead whale Pregnancy Is Down to A Science - from in-vitro fertilisation to scheduled C-section, the latest technology provides so many options, alternatives, and tests - it can be downright confusing ...

The practical, comforting, honest, and hilarious bestseller for moms-to-be, with more than one and a half million copies in print! Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real skinny when you ' re pregnant? Your girlfriends, of course—at least, the ones who ' ve been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Four-time delivery room veteran Vicki Iovine talks to you the way only a best friend can—in the book that will go the whole nine months for every mother-to-be. In this revised and updated edition, get the lowdown on all those little things that are too strange or embarrassing to ask, practical tips, and hilarious tales on everything pregnant. What really happens to your body—from morning sickness and gas to eating everything in sight—and what it ' s like to go from being a babe to having one. The Many Moods of Pregnancy—why you ' re so irritable/distracted/tired/lightheaded (or at least more than usual), Staying Stylish—You may be pregnant, but you can still be the fashionista you ' ve always been (or at least you don ' t have to look like a walking beachball)—wearing the hippest designers and proudly showing off your bump. Pregnancy is Down To a Science—from in vitro fertilization to scheduled c-sections, there are so many options, alternatives, and scientific tests to take that being pregnant can be downright confusing! And much more! For a reassuring voice or just a few good belly laughs, turn to this straight-talking guide on what to really expect when you ' re expecting.

A revised edition of a best-selling reference features twenty-five-percent new material and the original work's trademark combination of humorous and down-to-earth advice, in a resource that features a wealth of anecdotal tips on everything from maternity clothes and pregnancy sex to birthing options and postpartum recovery. Original. 100,000 first printing.

You've survived the battlefields of pregnancy and childbirth, baby-and toddler-hood - now what?

The Straight Scoop on the Questions That Make You Blush Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn ' t the sex I ' d hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringy experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

This accessible diary of a pregnancy aims to be as instructive as it is readable, and is now in spiral bound paperback.

Filled with straight talk from a four-time delivery room veteran, this book sees readers through the most exhilarating and exhausting time of their lives, one day at a time. An entire year's worth of invaluable—often hilarious—advice on everything from stretch marks, morning sickness, and maternity underwear to bladder control, pregnancy insanity, and postpartum dementia is included.

"What a gift to new and expecting moms. You have no idea the mountain and rollercoaster you're about to embark on, but Nurture somehow gives you a peek in and gives you essential information to help ground you." —Catherine McCord, founder of Weelicious and One Potato A comprehensive and judgement-free pregnancy companion: Nurture is the only all-in-one pregnancy and birthing book for modern mothers-to-be and their partners who want a more integrative approach. Author Erica Chidi Cohen has assisted countless births and helped hundreds of families ease into their new roles through her work as a doula. Nurture covers everything from the beginning months of pregnancy to the baby's first weeks. This empowering book includes: • Supportive self-care and mindfulness exercises, trimester-specific holistic remedies, nourishing foods and recipes for every month of pregnancy, and expert tips for every birth environment. • More than 40 charming and helpful illustrations, charts, and lists can be found throughout. • Dozens of important topics that every modern mom needs to know including fetal development, making choices for a hospital, home or birth center birth, the basics of breastfeeding, tips on what to expect postpartum, and more. Nurture is an all-inclusive pregnancy and birthing guide book that gives soon-to-be mothers and their partners the information they need to make decisions, feel confident, and enjoy the beauty of creating new life. Nurture is a thoughtful and helpful gift for expecting mothers and their partners. Erica Chidi is co-founder and CEO of Loom in Los Angeles, CA. She began her work in San Francisco, volunteering as a doula within the prison system, working with pregnant inmates. She went on to build a successful doula and health education practice in Los Angeles and has been featured in Women's Health, Vogue, Goop, The Cut and Marie Claire.
