Were you looking for the book with access to MyManagementLab? This product is the book alone and does NOT come with access to MyManagementLab. Buy the book and access card package to save money on this resource. For introductory courses in Human Resource Management. A brief format, ideal for instructors who want flexibility while maintaining the integrity of the material. Fundamentals of Human Resource Management covers a wide range of HR topics and shows students the importance of human resource management within the restraints of a compact semester. Offering a wealth of functional examples and applications, this text emphasizes the notion that all managers need basic human resource management skills. This edition is the first text on the market to build its core around the talent management process--which the author defines as the goal-oriented and integrated process of planning, recruiting, developing, managing, and compensating employees.

Fundamentals of Human Resource Management is geared towards the practical application of HR theory--how HR applies to the 'real world', as opposed

Online Library Fundamentals Of Human Resource Management 5th Edition Ebook

to being heavily theoretical. Issues such as strategy are reduced to give a greater focus on how human resources is used in the everyday work environment. This is a key concepts text that gives you all the essential material and is focused on skill-based applications and experiential material while still relevant in the higher level markets. The US authors are internationally known and are recognized for research contributions in their respective areas of specialization. Strong case material offers a distinct advantage, responding to the need for instructors to supplement their courses with real world applications. Fundamentals of Human Resource Management provides instructors with a robust ancillary package. A comprehensive instructor's manual, test bank (in the new EZ Test software program), PowerPoint presentations and a complete Online Learning Centre that make course preparation easy and readily available. For students, the opportunity to enhance skill sets and practice in an experiential environment will be most beneficial for HRM studies.

This text is an unbound, three hole punched version. The 12th Edition of Fundamentals of Human Resource Management, Binder Ready Version, 12th Edition helps students understand and remember concepts through a straightforward and conversational writing style and a wealth of examples to clarify ideas and build interest. The authors provide a strong foundation of essential elements of Human Resource Management as well as a clear understanding of how Human Resource Management links with business strategy. Through practical applications, the authors

Online Library Fundamentals Of Human Resource Management 5th Edition Ebook

illustrate the importance of employees on every level of the organization, helping students understand HRM elements such as recruitment, training, motivation, retention, safety, the legal environment, and how they support successful business strategies.
