~~Halachic Positions: What Judaism Really Says about Passion ...~~

Halachic Positions: What Judaism Really Says About Passion In The Marital Bed is a new book by Rabbi Yaakov Shapiro, the first in a proposed series entitled Sexuality and Jewish Law: In Search of a Balanced Approach in Torah. (This is not the Rabbi Yaakov Shapiro of Satmar/ Frumteens notoriety, but a different person.) It is a fascinating, though very intricate, discussion of the development of halachah in this area.

~~Rationalist Judaism: Sexual Intimacy, Spilling Seed, and ...~~

☐A number of Orthodox rabbis are now feeling confident enough in the halachic and life-affirming system of Orthodox Judaism that they can approach these issues with compassion and deep thought ...

Since ancient times, Judaism has offered a wide range of approaches on the matter of sexual expression within marriage, reflecting a wide range of interpretation and sensibility, and theoretically enabling each and every couple to tailor the law of this most intimate and private part of life to the unique physical and spiritual dimensions of their relationship. But a study of the sources reveals a trend in the last few hundred years to downplay, or even deny, Torah's embrace of sexual exploration within marriage, generally revealing to the masses only its most puritanical approach. This study opens up Judaism's sacred texts on sex to the English reader, providing an in-depth analysis of the relevant Talmudic-era passages as well as the medieval, post-medieval and latter-day Jewish commentaries and legal authorities.

Addresses issues surrounding charity, Jewish communal concerns, repentance and rebuke, marriage and family life, and others.

Forthright and frank, yet respectful and sensitive, "I Am for My Beloved: A Guide to Enhanced Intimacy for Married Couples" will help couples enrich their marital and sexual lives, and maintain passion and intimacy within the framework of Jewish tradition. Written by two Orthodox Jewish sex therapists with over 50 years combined experience, "I Am for My Beloved" conveys essential information about intimacy, sexual anatomy and physiology, sex within the life cycle, and Jewish values and attitudes towards sex & ☐ with an informative and practical approach. The information provided in this book will enable couples to enjoy a more open and fulfilling intimate connection, both emotionally and physically.

Rabbi Joseph B. Soloveitchik (1903-1993), commonly known as "the Rav," has stimulated and influenced the intellectual minds and touched the sensitive hearts of thousands of his students both in the United States and across the globe. With his death, a void was left in the modern intellectual Orthodox community. Although efforts have been made to transmit his Torah knowledge into written words, future generations of the vast English-speaking Torah community will be bereft of his enormous wisdom. The second volume of Halachic Positions of Rabbi Joseph B. Soloveitchik continues to provide the modern reader with a glimpse into the illustrious and meaningful halachic opinions of this highly revered Jewish scholar. Rabbi Aharon Ziegler, a student of the Rav, has illustrated the unique, and perhaps less known, halachic views which will intrigue and educate those who seek more of the Rav's distinguished teachings. Whether studied in the synagogue, school, or home, this book is a valuable addition to any Jewish library.

It is the first book to present a systematic and synthetic introduction to Jewish Law.

The purpose of this Sefer is to provide the English-speaking public the full breadth of Halachic and Hashkafic knowledge on everything related to the subject of intimacy. This book is primarily a compilation of Halachic rulings and sources which are scattered throughout the Talmud and Poskim, as well as the acts of piety recorded in the Sifrei Mussar and Kabbalah. Gathering all this Halachic information compiled from hundreds of sources into a single book, will allow the reader to research any questions he may have relating to marital intimacy, as sensitive and shy as it may be. Another aspect of this book is the delineation of the proper perspective that a Jew should have towards intimacy according to Torah and the classical works of Mussar and Kabbalah. There is a unique Jewish philosophy recorded regarding intimacy, and being indoctrinated with this perspective is as important as the study of the laws themselves. With this book we desire to encourage Jewish couples to perform intimacy in a most pious and holy manner, and to give them the knowledge to differentiate between law and stringency so they can know when and where they maintain the flexibility to be lenient, if needed. We aspire that the raising of the level of Kedusha that this book is set to influence will have a long and lasting effect on the current and coming generation, meriting the Jewish people with pure and holy children.

Does Jewish law permit heart transplants? Do we have a responsibility to try to prevent or report a crime? Is it permissible to pray while barefoot? Can a Jewish man who has married a non-Jew be counted in a minyan? In How Does Jewish Law Work, Vol. 2, Rabbi J. Simcha Cohen continues his remarkable research by responding to more questions of contemporary interest or concern to modern Jews who are committed to a life consistent with traditional Jewish law. As in his previously published and highly praised books, Timely Jewish Questions: Timeless Rabbinic Answers and How Does Jewish Law Work?, Rabbi Cohen does not merely provide quick answers to the questions he raises. On the contrary, he invites his readers to listen in on his logic, his research, and his insights as he illustrates the process of Jewish law as it has been applied to new questions throughout the centuries. According to Rabbi Cohen, "Halachah, the distinctly unique Jewish legal system, crystallizes the guidelines of Judaism. It makes us into Jews and marks us as Jewish. As such, an understanding of the halachic process provides insight into the inner soul of Jewish life itself." In this book, Rabbi Cohen clearly presents each question and carefully details the process of finding its answer. Through explication of verses from the Torah, talmudic passages, and many other sources, the reader

Read Book Halachic Positions What Judaism Really Says About Pion In The Marital Bed Uality And Jewish Law In Search Of A Balanced Approach In Torah Volume 1

receives the answer to the question and is also given the necessary background information to see how a rabbi arrives at the halachic decision. There are many books that provide answers to questions of Jewish observance and thought. How Does Jewish Law Work, Vol. 2 differs from others in that it places the answers in their proper contexts. For the person seeking to understand Jewish law, this book offers the opportunity to learn why Jews do certain things as they do. For those already familiar with halachah, this book will serve as a springboard for deeper study. All readers will come away with a sense of the complex system that is

In light of modern changes in attitude regarding homosexuality and recent controversy surrounding government legislation, the author, a Rabbi, explores the Jewish stance on homosexuality. He combines an unswerving commitment to Jewish Law with a deep understanding of the philosophical and moral issues involved. He advocates the adoption of a fair and balanced perspective and attitude.
