Handel's Messiah. Complete, unabridged orchestra and vocal score from the original manuscript. Newly engraved. Perfect for performance, or for Messiah "sing-alongs." Newly engraved edition from Handel's original manuscript.

for SATB soloists, SATB choir, and orchestra There is no single definitive version of Messiah. Handel continued to make revisions to the score throughout his life either to improve it or to suit the abilities of individual performers or the needs of an occasion. This edition presents the standard version (with which most people are familiar) complete with a new, practical piano reduction. The appendix contains most of Handel's alternative movements and transpositions. The full score includes all the alternative movements and transpositions in their correct sequence and all material is signposted clearly and cross-referenced with the vocal score. Clifford Bartlett provides a text that is as close as possible to the sources, yet is presented with performers' needs in mind. Both full and vocal scores provide guidance on performance practice, and the vocal score includes ane piano/organ reduction suitable for both rehearsal purposes and performance without orchestra. Complete orchestral material and vocal scores are available on hire/rental.

At long last, a definitive edition providing an authentic and fresh perspective on this time-honored oratorio. Since the page layout remains identical to the old Schirmer/Spicker edition, you can now replace worn copies with this new publication that has been entirely reedited. Based on Handel's autograph and conducting scores, Van Camp corrected over 100 notational and textual errors which appeared in the Spicker edition and also provided fine keyboard access comfortably under the fingers...with the original bass line fully restored. Singers will rejoice now that the music pages are no longer cluttered with editorial footnotes and annotations. Instead, endnotes are used to provide comprehensive and practical information. Other features included the addition of text sources, breath marks, measure numbers, timings, rehearsal and performance suggestions, and much more. The pagination and layout of the vocal score match the old Spicker edition, so you can use the two of them together without confusion.

Best-known, most beloved large-scale musical work in the English-speaking world. A brilliant amalgam of traditional Italian opera, English anthem, and German Passion.
