provisions making India a modern and novel secular democracy.

---

## Secularism in India - History, Constitution, Challenges | UPSC

With the Forty-second Amendment of the Constitution of India enacted in 1976, the Preamble to the Constitution asserted that India is a secular nation. Officially, secularism has always inspired modern India. In practice, unlike Western notions of secularism, India's secularism does not separate religion and state. The Indian Constitution has allowed extensive interference of the state in religious affairs.
