The Somerset Maugham Prize–winning, international bestselling debut novel: " a dazzling linguistic and formal achievement " set in 18th century London (Salman Rushdie). In eighteenth-century London, John Lempriere works feverishly on a celebrated dictionary of classical mythology that bears his name. But when he discovers a conspiracy against his family dating back 150 years, he embarks on a personal mission that will pit him against enemies he never new he had, allies he never thought he would ever want, and a destiny he never imagined. . . . Told with the narrative drive of a political thriller and a Dickensian panorama of place and time, this " superbly entertaining " tale encompasses multinational conspiracies and a motley cast of scholars, eccentrics, prostitutes, assassins, drunken aristocrats, and octogenarian pirates—all brilliantly depicted across three continents and the world of classical mythology (The Washington Post).

Murder, intrigue, and historical detail are woven into an epic tale of greed and revenge set against a backdrop of classical mythology.

" The acclaimed author of Lempriere ' s Dictionary furnishes another richly textured romp steeped in history, legend, and excitement " (Booklist). The Pope ' s Rhinoceros is a vivid, antic, and picaresque novel spun around one of history ' s most bizarre chapters: the sixteenth-century attempt to procure a rhinoceros as a bribe for Pope Leo X. In February 1516, a Portuguese ship sank off the coast of Italy. The Nostra Senora de Ajuda had sailed fourteen thousand miles from the Indian kingdom of Gujarat. Her mission: to bribe the " pleasure-loving Pope " into favoring expansionist Portugal over her rival Spain with the most exotic and least likely of gifts — a living rhinoceros. Moving from the herring colonies of the Baltic Sea to the West African rain forest, with a cast of characters including an order of reclusive monks and Rome ' s corrupt cardinals, courtesans, ambassadors, and nobles, The Pope ' s Rhinoceros is at once a fantastic adventure tale and a portrait of an age rushing headlong to its crisis. " An exhausting banquet of a book . . . One of the most original, energetic, and ambitious novels of recent years. " —Kirkus Reviews " Mr. Norfolk ' s heady originality and intellectual energy are apparent on every page. " —The New York Times Book Review

" An enthralling tale of an orphan kitchen boy turned master of culinary arts, with sumptuous recipes and intoxicatingly gorgeous illustrations. " —Vanity Fair A beautiful, rich and sensuous historical novel, John Saturnall ' s Feast tells the story of a young orphan who becomes a kitchen boy at a manor house, and rises through the ranks to become the greatest cook of his generation. It is a story of food, star-crossed lovers, ancient myths, and one boy ' s rise from outcast to hero. Orphaned when his mother dies of starvation, having been cast out of her village as a witch, John is taken in at the kitchens at Buckland Manor, where he quickly rises from kitchen boy to cook, and is known for his uniquely keen palate and natural cooking ability. However, he quickly gets on the wrong side of Lady Lucretia, the aristocratic daughter of the Lord of the Manor. In order to inherit the estate, Lucretia must wed, but her fiancé is an arrogant buffoon. When Lucretia takes on a vow of hunger until her father calls off her engagement to her insipid husband-to-be, it falls to John to try to cook her delicious foods that might tempt her to break her fast. " Shimmering with wonder, suffused with an intense and infectious appreciation for the gifts of bountiful nature, John Saturnall ' s Feast is a banquet for the senses and a treat to anyone who relishes masterful storytelling. " —The Washington Post

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

Quicksilver is the story of Daniel Waterhouse, fearless thinker and conflicted Puritan, pursuing knowledge in the company of the greatest minds of Baroque-era Europe, in a chaotic world where reason wars with the bloody ambitions of the mighty, and where catastrophe, natural or otherwise, can alter the political landscape overnight. It is a chronicle of the breathtaking exploits of "Half-Cocked Jack" Shaftoe -- London street urchin turned swashbuckling adventurer and legendary King of the Vagabonds -- risking life and limb for fortune and love while slowly maddening from the pox. And it is the tale of Eliza, rescued by Jack from a Turkish harem to become spy, confidante, and pawn of royals in order to reinvent Europe through the newborn power of finance. A gloriously rich, entertaining, and endlessly inventive novel that brings a remarkable age and its momentous events to vivid life, Quicksilver is an extraordinary achievement from one of the most original and important literary talents of our time. And it's just the beginning ...

The classic pacifist novel by a major Polish writer, who was nominated for the Nobel Prize 'Only the villages are asleep, the eternal reservoir of all kinds of soldiery, the inexhaustible source of physical strength! The villagers of the Carpathian mountains lead a simple life at the beginning of the twentieth century - much as they have always done. They are isolated and remote, and the advances of the outside world have not touched them. Among them - Piotr, a bandy-legged peasant, whose 'entire life involved carrying things'. A notional subject of the Austro-Hungarian Empire, all he wants in life is an official railway cap, a cottage with a mouse-trap and cheese, and a bride with a dowry. But then the First World War comes to the mountains, and Piotr is drafted into the army. Unwilling, uncomprehending, the bewildered Piotr is forced to fight a war he does not understand - against his national as well as his personal interest. In a new translation, authorised by the author's daughter, Salt of the Earth is a strongly pacifist novel inspired by the Odyssey, about the consequences of war on ordinary men.

The new novel from the author of Lempriere's Dictionary offers a sweeping story of treachery and destructive love that begins in ancient Greek myth and carries readers to a breathtaking climax in the present. Rerpint.

For over a century after the fall of Constantinople in 1453, the Ottoman Empire enjoyed an almost unbroken series of victories in Eastern Europe and throughout the Eastern Mediterranean. In 1571, the Republic of Venice and Pope Pius V worked together to assemble an alliance of European powers to confront the Ottoman navy in the Aegean and Mediterranean Seas. This "Holy League" was driven, and almost torn apart, by a set of diverse and often competing motivations, but for one brief moment it was able to put aside its differences and raise a unified front against the massive Ottoman fleet at the Battle of Lepanto. The outcome of that battle would have far-reaching consequences for Europe, for the Ottoman Empire and indeed for world history.

From international bestselling author Arturo Pérez-Reverte comes the fourth adventure of Captain Alatríste in the " series [that] recalls the great adventure novels of Dumas and Scott " (The New York Times). Seville, 1626. After serving with honor at the bloody siege of Breda, Captain Alatríste and his protégé, Iñigo Balboa, accept a risky job involving a dozen swordsmen and mercenaries at their command, a dazzling amount of contraband gold, and a heavily guarded Spanish galleon returning from the West Indies. The job offer comes from the king himself, for at stake is nothing less than the Spanish Crown, and its dominion over the wealth of the Americas. But for Alatríste, a very personal surprise awaits him on that galleon.
