Everything you need to know to succeed in the real estate business, as an agent, broker, or seller *Make More Money, Find More Clients, Close Deals Faster* illustrates why and how real estate agents need to change the way they do business to better serve their clients, spend resources more wisely, and make more money. The real estate industry is notorious for eating up a real estate agent's time, energy, and money, but many of the inefficiencies are of their own making. As a result, the client suffers from poor and uninformed service. This book provides a new business model for agents that shows how to sell more property, in less time, and develop client relationships that will continue over time, as well as a model for the broker, who can increase the brokerage's revenues through the use of professional development strategies from the book. Shows brokers how to provide better customer service, improve profits and return on investment, and take full advantage of social networking to advertise and attract new clients Written by Claude Boiron, coauthor of *Commercial Real Estate Investing in Canada* One of the few guides to the subject written particularly for the Canadian real estate market *Make More Money, Find More Clients, Close Deals Faster* is of value to real estate boards educating new members, academics, as well as agents, brokers, and sellers themselves.

What the 2nd edition brings you: You support climate protection, quickly receive compact information and checklists from experts (overview and press comments in the book preview) as well as advice that has been tested in practice, which also leads to success step by step thanks to AddOn. Because many people would like to have more money, but their living conditions are not ideal or their financial background does not allow room for risky investment maneuvers. However, making more money, getting rich or achieving financial freedom is possible without stress. The secret is to first find out where you stand, then to inform yourself thoroughly and then: First take a deep breath and then start with full power. If you take this to heart, you will achieve what you dream of. By the way, this applies equally to all aspects of life, from the financial to the emotional. Anyone can achieve even the most ambitious goals with composure, energy and a calm investment strategy that is authentically tailored to the individual. This book wants to encourage and show how much relaxation helps to follow one's own financial wishes and visions in life. We give you the best possible help on the topics of career, finance, management, personnel work and life assistance. For this purpose, we gather in each book the best experts in their field as authors - detailed biographies in the book - , who give a comprehensive overview of the topic and additionally offer you success planner workbooks in printed form. Our guidebooks are aimed
