What parents need to know. Parents need to know that Marge in Charge by actress Isla Fisher is the first book in a projected series featuring a kooky babysitter in the tradition of Mary Poppins, Mrs. Piggie Wiggle, and Amelia Bedelia. Fisher includes three stories in the first book, which she says were inspired by ones she told her own kids at bedtime.

Actress and comedian Isla Fisher 's hilarious debut introduces Marge, your kids ' favorite new zany babysitter—perfect for fans of Amelia Bedelia and Mrs. Piggie Wiggle. Features charming illustrations! Siblings Jemima and Jake Button don ' t know what to make of their new babysitter, Marge: She ' s not tall enough to ride a rollercoaster and, when she first arrives, she ' s dressed like a grandma and looks very serious. But as soon as Mommy and Dad are gone, mischievous Marge lets down her rainbow hair and the adventures begin. Jemima and Jake aren ' t supposed to shoot apple juice out of water guns, eat pancakes off the ceiling, or throw impromptu concerts during music class—but with Marge here, everything ' s gone topsy-turvy! Can they have this much fun and still finish everything on Mommy ' s list before their parents come home to discover what ' s been going on? In these three madcap stories, it ' s obvious that everything ' s way more fun when Marge is in charge.

"Isla Fisher is hilarious" David Walliams "Charming, funny, delightful: Marge is the babysitter all children would wish for" David Baddiel Meet Marge, the mischievous babysitter with rainbow hair who loves to make a mess and bend the rules . . . At dinnertime Chef Marge cooks up chocolate soup, and at school Marge the Muscian conducts a chaotic concert in the playground! Jake and Jemima have brilliant fun with their new babysitter, but will they manage to tick off all the jobs on Mummy's list? The first fun family story in the MARGE IN CHARGE series, written by actor & comedian Isla Fisher and illustrated throughout by Eglantine Ceulemans.

Connie Ramos, a woman in her mid-thirties, has been declared insane. But Connie is overwhelmingly sane, merely tuned to the future, and able to communicate with the year 2137. As her doctors

persuade her to agree to an operation, Connie struggles to force herself to listen to the future and its lessons for today.... From the Paperback edition.

Everyone ' s favorite zany babysitter is back! This is the second book in actress Isla Fisher ' s warmly embraced series, perfect for fans of Amelia Bedelia and Mrs. Piggle Wiggle. Features charming illustrations. Marge the babysitter might look like a very tiny elfin grandmother at first, but in these three hilarious stories, she ' s letting down her rainbow hair and getting in a brand-new heap of trouble. Siblings Jemima and Jake Button are used to things being very sensible: their babysitters always follow the lists of rules from Mommy and Dad. But sometimes sensible isn ' t very fun—and with Marge around, you ' ve got to stay on your toes! Before you can say Kalamazoo!, there ' s a pirate baby on the loose, lost treasure at the neighborhood pool, and chaos at a very important wedding. When Marge is in charge, you truly never know what will happen next!

"A triumph of the imagination. Rich, complex, impossible to put down."—Alice Hoffman In the middle of the twenty-first century, life as we know it has changed for all time. Shira Shipman's marriage has broken up, and her young son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish free town where she grew up. There, she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions—and the ability to kill. . . . From the imagination of Marge Piercy comes yet another stunning novel of morality and courage, a bold adventure of women, men, and the world of tomorrow.

'Isla Fisher is hilarious' DAVID WALLIAMS

'Isla Fisher is hilarious' David Walliams.

This sweeping New York Times bestseller is “ the most thorough and most captivating, most engrossing novel ever written about World War II ” (Los Angeles Times). Epic in scope, Marge Piercy ' s sweeping novel encompasses the wide range of people and places marked by the Second World War. Each of her ten narrators has a unique and compelling story that powerfully depicts his or her personality, desires, and fears. Special attention is given to the women of the war effort, like Bernice, who rebels against her domineering father to become a fighter pilot, and Naomi, a Parisian Jew sent to live with relatives in Detroit, whose twin sister, Jacqueline—still in France—joins the resistance against Nazi rule. The horrors of the concentration camps; the heroism of soldiers on the beaches of Okinawa, the skies above London, and the seas of the Mediterranean; the brilliance of code breakers; and the resilience of families waiting for the return of sons, brothers, and fathers are all conveyed through powerful, poignant prose that resonates beyond the page. *Gone to Soldiers* is a testament to the ordinary people, with their flaws and inner strife, who rose to defend liberty during the most extraordinary times.

Pretty Mess meets #Girlboss in this part memoir, part entrepreneurial manifesto from *The Real Housewives of New Jersey* ' s “ Powerhouse in Pigtails. ” Margaret Josephs is a hustler. She ' s a tough cookie. She speaks her mind. She never leaves the house without lipstick on. She ' s also a devoted wife, mother, daughter, businesswoman, lifestyle expert, and fan-favorite star of the reality TV series *The Real Housewives of New Jersey*. Sounds pretty glamorous, right? Well, things are never exactly as they seem. Before she arrived where she is today, “ The Marge ” was born to young immigrant parents. Raised by a single party-girl mother who left her physically abusive father when she was one and a half, she was taught that it was more important to look good than to feel good. No structure. No rules. No blueprint for future success or stability. But like most people who struggle through atypical childhoods, destructive relationships, and career challenges, she forced herself to wake up every morning and put one high heel in front of the other, even if she didn ' t know where she was going. Margaret took the cards she was dealt and eventually turned them into a winning hand, and she wants to arm fans with the ability to do the same. In *Caviar Dreams*, *Tuna Fish Budget*, she ' ll talk about how to launch a lifestyle brand, how to work with family members, and how to be an uncompromising woman in a man ' s world. She also spills stories from her personal life about the son *Real Housewives* viewers don ' t know exists, the time Joan Rivers gave her the best advice she ever got, the rendezvous she had with a famous rock star, and the affair with her contractor that ended her marriage but gave her the happily ever after. *Caviar Dreams*, *Tuna Fish Budget* takes readers along Margaret ' s wild, bumpy journey to entrepreneurial success and reality TV fame, written in her trademark no-nonsense, tongue-in-cheek voice with the perfect combination of grit and glitz.

The adventures of zany babysitter Marge continue in the third book of actress Isla Fisher ' s charming illustrated series, perfect for fans of Amelia Bedelia and Mrs. Piggle-Wiggle. Marge, the rainbow-haired babysitter, returns! This tiny duchess has a trip planned for Jakey and Jemima Button—and she ' s going to break a lot of rules along the way. In these three hilarious stories, a trip to the zoo with Marge seems like a perfect adventure. But it might turn out to be a perfect disaster! When Jakey ' s tooth goes missing, a train gets stopped by a ferocious beast, and a favorite orangutan can ' t be found, it seems as if everything will be ruined. But if there ' s one thing Jakey and Jemima know, it ' s that even disasters are fun when Marge is in charge!
