The Mike Rashid workout for
overtraining, in his opinion, also teaches
you about yourself. He explains that the
stress, pain and hardship you endure when
overtraining mirror the knocks that life
gives you. If you can power through this
on the bench, you can also rise above
these challenges in your day-to-day

Contact - Mike Rashid

Mike Rashid is a big believer in routines to prevent injuries. When he was younger, he felt invincible and wouldn't even warm-up before training.
