My Parents Are Divorced Too A Book For Kids By Kids ...

Less than five months later, after 23 years of marriage, my parents were divorced. The people I had admired most throughout my life had broken my trust. As my life shattered to pieces, sorrow, anger, and a feeling of betrayal filled my heart. Unfortunately, stories like mine are becoming too common today – even among the well known.

divorced, it's because of issues between the two of them, not because of anything you did. Most of the time, parents choose to get divorced because they fight with each other, because their feelings about one another have changed, or because of a serious issue in the relationship, like infidelity or substance abuse.

## How to Deal With Your Parents' Divorce: 15 Steps

My parents got divorced when I was younger, and I have been divorced with children, so if you want to dm me, I'll try to be there for you. level 1. 1 point · 6 months ago. My parents divorced when I was a young adult too and it is really difficult in part because you are usually just beginning to

build your own life in the world and the home ...

r/Divorce - Hey everyone, my parents are getting divorced ... Divorce isn't pretty or upbeat, but it's also not a time to shut down. When kids are involved, it becomes necessary to open a door for conversation and realization of what your child (ren) are going through -- and what they desperately need from both parents. It may be an "adult" situation, but the kids are very aware of what's going on.
