You probably won't learn anything in this book that you don't already know (or couldn't find out through a simple Google search). The same goes for any of the tens of thousands of books on personal finance. The reality is that there are no secrets to personal wealth: in the age of knowledge democratization, all the information you could possibly need on the subject is out there right now. And yet a majority of people fail to take control of their finances, do not save enough, and are ill-prepared for retirement. Why? In his illuminating new book, Matt Voss walks you through a framework for personal finance that actually sticks, unlike the four-week "plans" or seven-step "guides" that he argues read much like dieting books, which engross you for a short while, but do not lead to any lasting change. Unwaveringly clear and convincing, Voss demonstrates that any lasting change in your financial health can only come about incrementally, and that any sudden or drastic shift in your spending habits is pointless--as with most diets, you will inevitably revert back to your old ways. The key, he argues, is to distinguish between how much you should be saving and how much you can realistically save, and to bridge the gap through various passive income streams. Voss's wide-ranging knowledge is on full display in this comprehensive book. Leaving no stone unturned, he takes you through how to earn money through blogging, YouTube, crowdfunding, real estate, robo-investing, and everything in between. There is something in here for everyone. The Passive Income Millionaire won't change your life overnight, but will equip you with the requisite knowledge--and a framework for implementing this knowledge--to develop long-term wealth.

If you want to be a millionaire, then keep reading. If you've been struggling to amass wealth, then keep reading. Do you want to learn the secrets of becoming a millionaire? OVER 1.5 MILLION COPIES SOLD#1 NEW YORK TIMES, WALL STREET JOURNAL, USA TODAY, BUSINESSWEEK BESTSELLER What's the secret to becoming a millionaire? For years people have asked David Bach, the national bestselling author of *Smart Women Finish Rich*, *Smart Couples Finish Rich*, and *Start Late, Finish Rich* what's the real secret to getting rich? What's the one thing I need to do? Now, in the newly revised *The Automatic Millionaire*, expanded and updated, David Bach is sharing that secret. *The Automatic Millionaire* starts with the powerful story of an average American couple—he's a low-level manager, she's a beautician—whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. Through their story you'll learn the surprising fact that you cannot get rich with a budget! You have to have a plan to pay yourself first that is totally automatic, a plan that will automatically secure your future and pay for your present. What makes *The Automatic Millionaire* unique: · You don't need a budget · You don't need willpower · You don't need to make a lot of money · You don't need to be that interested in money · You can set up the plan in an hour David gives you a totally realistic system, based on timeless principles, with everything you need to know, including phone numbers, websites and apps, so you can put the secret to becoming an Automatic Millionaire in place from the comfort of your own home. This powerful little book has the potential to secure your financial future. Do it once—the rest is automatic! *The Automatic Millionaire* is one of the most popular financial books of our time. It was a runaway hit when it was first published in 2004, spending thirty-one weeks on the New York Times bestseller list and appearing at number one simultaneously on the New York Times, USA Today, BusinessWeek, and Wall Street Journal business bestseller lists. It has sold over 1.5 million copies and been translated around the world in over a dozen languages. This is the first update since 2005 and includes updated information on taxes, investments, technologies and apps to automate your financial life as well as David's latest systems for making the entire process even easier.
