This is another amazing addition to the SEAL of Protection series with another team member, Mozart, on a quest to find his sister Avery's killer, Ben Hurst, actually lead him to the love of his life, Summer. She was working as a cleaning woman at Big Bear cabins where Mozart was staying following up on a lead from Tex that Hurst was in that area.

Down on her luck, starving, and beaten down by life, hotel maid Summer was hanging on with everything she had. Then Navy SEAL Mozart unexpectedly entered her life and brought her the most joy she'd ever experienced...and the most fear when a killer bent on revenge targeted her to get back at him.

How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for the terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. "Protecting Caroline is a stand-alone love story. It's Book 1 in the SEAL of Protection Series." -- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.
