Stop Acting Rich shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.

Is the millionaire next door still out there today? The latest research from Dr. Thomas J. Stanley and his daughter, Dr. Sarah Stanley Fallaw, confirms that, yes, the millionaire next door is alive and well. And he's achieving his financial objectives much the same way he always has: by living below his means, being a contrarian in a maelstrom of hyper-consumption, and being disciplined in reaching his financial goals. The book examines wealth in America 20 years after Dr. Stanley's groundbreaking work on self-made affluence. While a new generation of household financial managers are being inundated with the proliferation financial advice. The Next Millionaire Next Door provides readers with an analysis of what it takes to achieve wealth with data-based conclusions and evidence from those who have built wealth on their own over the last two decades. In this current work, the authors detail how specific decisions, behaviors, and characteristics align with the discipline of wealth building, covering areas such as consumption, budgeting, careers, investing, and financial management in general. Through case studies, survey research, and a careful examination of quantitative studies of wealth, the authors illustrate what it takes to achieve financial success today, regardless of market conditions or rising costs.

The New York Times–bestselling author of The Millionaire Next Door reveals the spending and saving habits of financially successful women. Millionaire Women Next Door presents a variety of groundbreaking concepts involving the personality, lifestyle, motives, beliefs, and spending habits of economically successful American businesswomen. Most of these women report being raised in nurturing family environments. They were trained not only to succeed financially but also to be generous in giving to noble causes. Stanley asks, “How did these businesswomen become millionaires? They did it by doing more of the key activities and achieving better results than most of their male counterparts.” Praise for Thomas J. Stanley’s The Millionaire Mind “A very good book that deserves to be well read.” —The Wall Street Journal “Worth every cent . . . It’s an inspiration for anyone who has ever been told that he wasn’t smart enough or good enough.” —Associated Press “A high IQ isn’t necessarily an indicator of financial success. . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills.” —Entertainment Weekly “Ideas bigger than the next buck.” —Orlando Sentinel

Distinguishing the qualities that separate the prosperous from everyone else, the author mixes statistical data and lively anecdotes to plumb the secrets behind generating wealth. Reprint.

From the New York Times bestselling author of The Millionaire Next Door,Networking With the Affluent explores effective tactics for strengthening relationships with wealthy prospects and clients, as well as their advisors-and generating new business among this highly exclusive target market. Networking with the wealthy is not like networking with the less-affluent. Dr. Stanley provides a proven road map for building trust, securing interest, and forging profitable relationships with wealthy audiences-including tactics for boosting your credibility and assuring continued loyalty among wealthy customers. This book is essential reading material for anyone whose target market includes the affluent.

From the New York Times bestselling author of The Millionaire Next Door, the classic guide on how to market to the rich. Praise for Marketing to the Affluent: "Dr. Stanley's prospecting techniques saved me thousands of hours of tedious work normally given to cold calls and mailer leads. His methods gave me the surgical steel to cut into the heart of the affluent market."Ken Catanella, Senior Vice President, Shearson Lehman Hutton "I have read, over the past 17 years, everything I could find about marketing financial services, and I can say without hesitation that this book is the best work of its type I have ever read."W. Frank Bullock, Senior Vice President, Citizens and Southern Trust Company "Marketing to the Affluent should be required reading for every professional in the securities industry. Dr. Stanley has condensed the secrets of effective self-marketing into a cogent, concise, and comprehensive game plan. Most importantly...his ideas work!"Glenn M. Colacurri, Senior Vice President, Division Director of Sales and Marketing, Shearson Lehman Hutton

How do the rich get rich? An updated edition of the "remarkable" New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as "rich" are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today’s earn-and-consume culture.” —Library Journal

"Stop Acting Start Living" is the culmination of 35 years of performing and teaching experience. Acting teacher and success coach Bernard Hiller has worked with Jeff Goldblum, LL Cool J, Billy Crystal, Chace Crawford, Michelle Pfeiffer and Emilio Rivera among many others. Bernard discovered Cameron Diaz and coached her for her first big audition for "The Mask" with Jim Carrey, which launched her career. His techniques have helped change the course of lives and careers. There has never been a book available that takes the acting techniques of a Hollywood star-maker, and teaches average people how to become stars in their lives, relationships and careers. Bernard is the only coach who combines acting technique, life coaching and success training in an entirely different and unique way. Because of that Leonardo DiCaprio and other stars recommend him as the premier acting teacher in town. "Stop Acting Start Living" will not only benefit every person that reads it, but will encourage them to change the world in a profound and lasting way. This book teaches people how to wake up their brilliant, creative and powerful selves like never before. It shows them how to connect with their personal powers in a totally new and exciting way. Learning the ways to become a star is easy, and with this book you will have the tools become the star you always wanted to be. This book will teach you how to achieve any dream or goal your heart truly desires. Importantly is how to support yourself with your talents and gifts. Bernard's unique technique has helped established artists and top business people take their careers to the next level resulting in real-life rebirths. With this book you will learn how to connect to your true authentic self in a revolutionary way. First you must discover what is unique and special about you and then develop an effective plan to achieve success. Remember "The Bigger The Dream, The Better The Life."

Dr. Stanley shows how to push the "hot buttons" of the people you've found to improve your closing percentage . . . . and income. This essential resource reveals the three most important things you can do to land affluent prospects.

A common man's journey... YOUR ROAD MAP TO ACHIEVING FINANCIAL FREEDOM AND LIVING YOUR DREAMS Financial freedom is not defined by your net worth or your social status. It does not matter how much you earn – what matters is how much you can save and invest wisely. The secret to financial freedom is learning the basic concepts of planning well and adopting the right attitude. But how does one achieve this? Written by a common man for the common man, this book will help you lead a financially independent and conscious life. Everyone around us is trapped in a mindless rat race. If you've resolved to take control of your finances and construct a personal finance plan, From the Rat Race to Financial Freedom is a good starting point.
