The print and digital bundle offers students a great reading experience in two ways—a printed volume for their lifetime library and a digital edition ideal for in-class use. Every play introduction, note, gloss and bibliography has been reconsidered in light of reviewers' suggestions, and new textual introductions and performance notes reflect the extensive new scholarship in these fields.

The Second Edition. of this bestselling text once again explores the philosophical underpinnings, history, and key elements of each of five qualitative inquiry traditions: narrative research, phenomenology, grounded theory, ethnography, and case study.. Written in an accessible style, this book relates research designs to each of the traditions of inquiry.
