## ~~IXL~~ Counting

In this section we revise numbers 1 to 10 and then move on to counting to twenty, getting plenty of practice with grouping "10" in the process. We learn techniques to count quickly, easily and accurately beyond 10, to 20.

# Download File PDF Ten Count 3

Techniques One of the aims of early counting practice is that children will begin to "subitise", or recognise numbers of objects quickly without having to count them.
