“This is a series of stories of what it looks like to walk with God, over the course of about a year.” So begins a remarkable narrative of one man’s journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can’t I overcome those “habits” that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

The Gospel of John can be challenging reading, but in the hands of pastor Greg Laurie, it's the perfect material for daily devotional reflections. In the same accessible style that has made him a popular pastor, speaker, and television and radio host, Laurie shares stories and images of Jesus from the Gospel of John woven with additional Scriptures and anecdotes. The result is a ninety-day devotional that offers biblical substance and theological depth presented in clear, engaging language. Readers looking for devotional reading centered on Jesus will enjoy Laurie's blend of important spiritual substance and accessible narrative style.

Follow one man’s journey of learning to hear the voice of God. By putting words to the things God has shown him through some amazing experiences, John Eldredge helps readers shed light on the miraculous truths that God is showing them right now. Our deepest need is to live in conversation with God. To hear his voice. To follow him intimately. This is the single most life-changing habit that a human being can adopt, because it brings us back to the source of life. Yet most Christians have never been taught how to have a conversation with the Creator. In this revised and updated edition of his classic Walking with God, John Eldredge opens his personal journals to tell a year’s worth of stories about walking and talking with the Lord. Some of John’s stories will help readers recall lessons they didn’t know had been forgotten, open up new horizons, and help them tell and interpret their own story: the story of their intimate walk with God.

This book is all about Jesus Christ and what he has done for the entire world, his death, burial, and resurrection. It goes into what it means to

live a victorious life with the one who created you. Its a walk we take into his truth. He came to save the world and to have a relationship with you, his child. Believe in Jesus, and you will be saved and spend eternity with him in heaven.

New York Times bestselling author of *The Prodigal Prophet* Timothy Keller—whose books have sold millions of copies to both religious and secular readers—explores one of the most difficult questions we must answer in our lives: Why is there pain and suffering? *Walking with God through Pain and Suffering* is the definitive Christian book on why bad things happen and how we should respond to them. The question of why there is pain and suffering in the world has confounded every generation; yet there has not been a major book from a Christian perspective exploring why they exist for many years. The two classics in this area are *When Bad Things Happen to Good People* by Rabbi Harold S. Kushner, which was published more than thirty years ago, and C. S. Lewis's *The Problem of Pain*, published more than seventy years ago. The great secular book on the subject, Elisabeth Kübler-Ross's *On Death and Dying*, was first published in 1969. It's time for a new understanding and perspective, and who better to tackle this complex subject than Timothy Keller? As the pastor of Redeemer Presbyterian Church in Manhattan, Timothy Keller is known for the unique insights he shares, and his series of books has guided countless readers in their spiritual journeys. *Walking with God through Pain and Suffering* will bring a much-needed, fresh viewpoint on this important issue.

The quest for meaning and purpose dwells within all of us. Jesus insisted that its fulfillment lay in a relationship with him. But what does that relationship look like—really? *Apprentice* calls spiritual pilgrims, both Christians and non-Christians, to exchange the shallow diversions of secular and religious culture for the pursuit of our true desires. In a book of refreshing honesty, great heart, and rich creativity, Steve Chalke guides us into an apprenticeship with the master teacher, Jesus. Embarking on a relational journey that engages us on every level, we walk with Jesus in an organic, whole-life learning experience, exploring ten areas foundational to the meaning and depth we crave. *Apprentice* encourages us to ask our most probing questions, embrace our doubts, and learn why we are driven to belong. Combining story and parable with thoughtful commentary, we discover the ancient art and discipline of apprenticeship—living lives stamped with the character, presence, and impact of Jesus.

What it means to walk with Christ—*Walking*—is a rich biblical metaphor. Figures like Enoch, Noah, and Abraham are remembered because they walked with God. Evil kings are remembered because they didn't. All humanity is a parade one way or the other, and Christians must know the difference. *The Believer's Walk with Christ* plumbs nine New Testament passages to unfold this great theme and help us live in step with the Spirit. Written in John MacArthur's direct, accessible style, it is ideal for Bible study groups, church leaders, or individual believers who want to grow in godliness. MacArthur draws on a lifetime of scholarly and pastoral experience to demystify that process and explain clearly what Scripture says about it. He'll help you know what it means to grow in Christian maturity, and how to make it the mark of your life. About the series: This book is part of *The John MacArthur Study Series*. It is comprised of chapters adapted from the bestselling *MacArthur New Testament Commentary*, which have been arranged thematically for the purpose of topical study. Accordingly, each chapter is designed to take the reader deep into a text of Scripture, while the volume as a whole addresses a specific biblical theme. This approach is ideal for anyone wanting to engage in a thorough study of what the Bible says about a given subject. It also serves as a valuable tool for pastors or Bible study leaders looking to teach a topical series.

In *Walking with Jesus: A Way Forward for the Church*, Pope Francis urges us to make Jesus central in our individual lives and in the collective life of the Church—to walk toward him, and ultimately to walk with him at all times and in all places. With a foreword by Archbishop of Chicago Blase J. Cupich, Pope Francis's first major appointment in the United States, *Walking with Jesus* offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.
