A witness to the only documented incident in which a spirit is credited with killing a human being, Richard Powell relates to his daughter the macabre tale of the Bell Witch that haunted the Bell family of Robertson County, Tennessee. Reprint. 12,500 first printing.

TV, radio, traffic, telephones, pagers - our minds are bombarded daily by constant noise and clutter. No wonder so many people find it increasingly difficult to listen and comprehend. Simple pieces of information such as names go "in one ear and out the other." Poor listening may have tragic consequences such as the Challenger disaster and the Potomac River crash of 1982, or it can result in smaller tragedies such as lost promotions, stalled marriages, and troubled children. Rebecca Shafir assures us that we can transform every aspect of our lives, simply by relearning how to listen. The Zen of Listening is grounded in the Zen concept of mindfulness, a simple yet profound way of learning how to filter our distractions and be totally in the present. Rather than a list of tricks, this book is an all-encompassing approach allowing you to transform your life. Readers will be amazed at how simply learning to focus intently on a speaker improves the relationship, increases attention span, and helps develop negotiating skills. Learn the great barricades of misunderstanding, find out how to listen to ourselves, discover how to listen under stress, and boost our memory. This is a fun and practical guide filled with simple strategies to use immediately to enjoy our personal and professional lives to the fullest.

Patrick thinks he's hit the jackpot landing an interview with the eccentric billionaire tech mogul Ezra Maes. But while the celebrity deer is charming and brilliant, Pat wasn't expecting something both men had in common: a desire for Pat's lovely girlfriend Nightshade. Ever eager to please his lover, and curious to explore new frontiers in the bedroom, Pat suggests Nightshade start up a relationship - not with Ezra, but rather his sex-hungry alter ego Buck. Has this new phase of Pat and Night's relationship also become their last? Based on the comics and characters by the artist Kadath. Cover, interior illustrations, and gallery by Kadath.

With cryptic secrets and cravings, this eighth installment in the popular Vampire Kisses series is a romantic and mysterious thrill ride. Jagger plans to open a new club in Dullsville. But is it Raven's dream come true or a nightmare? The morbidly monotonous Dullsville has finally become the most exciting place on earth, now that Raven is madly in love with Alexander and a crew of vampires has taken up residence in Dullsville's old mill. But Raven can't decide whether Jagger's plan to open a new club, the Crypt, is a good one. Can Raven convince Jagger to listen to her plans to make the Crypt the morbidly magnificent party space it could be? Will it be safe for mortals and vampires alike? And as Sebastian and Luna's relationship heats up, Raven wonders about her own amorous fate: Will Alexander ever turn her? Does he crave her and does he want to spend eternity together? And what does she really want?

Protection and Switchgear is designed as a textbook for undergraduate students of electrical and electronics engineering. The book aims at introducing students to the various abnormal operating conditions in power systems and to describe the apparatus, system protection schemes, and the phenomena of current interruption to study various switchgears.

The twelfth-century French poet Chr\u00e9tien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chr\u00e9tien's major poem, Yvain, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. Yvain is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

The story of Nelson Mandela who challenged apartheid in South Africa and who went on to become the president of the country.

ABC's, First Words, Numbers and Shapes, Colors and Opposites including a special note to parents. Children will enjoy hours of learning fun in each 32-page bi-lingual book. All four books are designed specifically to teach and reinforce basic concepts for preschool through early elementary school children.
